Raising a concern about a psychologist

The following form is designed to help you raise a formal complaint about a psychologist with the Board. **This form is optional** but please note that a formal complaint to the Board must be in writing and must contain enough detail of your concerns to allow for a proper assessment and response. Once we have received and reviewed your completed form, we will be in touch to discuss your concern(s) and/or to inform you of the next steps.

The Board is only legally authorized to address concerns that relate to practitioners who, at the time of the events that gave rise to the concern, were registered with the Board. Concerns about non-psychologists can be raised with the Health and Disability Commissioner (freephone 0800 11 22 33 or email hdc@hdc.co.nz). The Commissioner also offers an advocacy service that can assist people with raising concerns or writing formal complaints.

Please note: It is illegal for anyone not registered with the Board to use the title “Psychologist”. To determine if a practitioner is registered as a psychologist, you can check our online Register (www.psychologistsboard.org.nz). If a practitioner who is not registered is using the title “Psychologist:” (in any form or in combination with other words) you can also contact the Ministry of Health’s Enforcement Team (www.moh.govt.nz).
